Camp Legends is in session!

This summer Legends SFC' mission is to empower our youth with a positive individual self-image and with a raised level of awareness of their community. We have undertaken the objective of using arts, crafts, and sports to develop dynamic programs and experiences that will engage and activate the minds and interests of students within our large, diverse, and vibrant community. We seek to develop a supportive environment with open doors and clear pathways for youths to imagine, explore, and eventually discover their purpose in life. We envision a world where virtually anything is possible and we are doing all that we can to realize that vision. We believe without a doubt, in changing the world for the better one person at a time through the building of a positive individual self-image and by instilling confidence that one person can make a difference!

Sports Legends

Practice makes legends!

3rd- 4th | 5th-6th | 7th-8th

Access to high level coaching and training may potentially have a tremendous impact on the student athletes' future scholastic and athletic endeavors. Participants will have an online profile (part of our free club membership) that will track their performance and host their highlights.

They can then share their statistics, highlights, and achievements with coaches, schools, and friends whenever they choose. Our camps are the perfect fit for athletes with collegiate and professional aspirations as well as for athletes who simply enjoy pushing themselves to the limit of their abilities. Either way, they will find a place in one of our legendary camps.
